View of Farmers on Needs Today

Labor Shortage 1st; Machinery Shortage 2nd on List of Present Needs

What are the principal handicaps (other than natural) to producing more in 1944 on farms in Randall county? To get the answer to that question farmers were asked to rate three or four of the principal handicaps in the order of their importance. This question was asked of each farmer who visited the County Agent's office in connection with the execution of farm plan sheets for the 1944 AAA Program. The AAA committeemen in charge of the plan sheet sign up cooperated with the County Agent in the survey. During the last week in March 388 farmers answered the question as it applied to their respective farms. The survey was not complete since some of the farm operators were overlooked when signing the plan sheets; however, the 388 being over 60% of all farm operators in the county, is considered fairly representative.

Shortage of farm labor is the number one handicap on 213 or 55% of the 388 farms. Strangely enough the lack of repair parts is not considered even second in importance as a hinderance to maximum production. Shortage of repair parts and shortage of transportation (trucks and truck tires) were tied for third place as the principal handicap with 6% of the farmers listing each of these as the number one handicap.

The shortage of new machinery for replacement is second only to the labor shortage with exactly 25% of the farm operators listing it as the number one handicap.

Thus, we have our handicaps listed by farmers themselves, as follows.

Labor shortage first on 55% of the farms.

Machinery shortage first on 25%.

Transportation first on 6%.

Repairs first on 6%.

No handicaps (except natural) on 8%.

In listing the second most important handicap we have a somewhat different picture.

The machinery shortage was listed as second on 24%.

Shortage of repairs was second on 14%.

Labor shortage on 12%.

Transportation on 11%.

No secondary handicap on 39%.

The number of farmers listing labor shortage in either first, second or third place was 71% of the total. Machinery shortage 53% of the total, transportation shortage 32% and repairs 29%.

March Bond Sales Failed on Quota

The sale of War Bonds slumped badly during the month of March.

With a quota of $25,000 for March, the sales amounted to only $14,758.50 according to the report of R. H. Wright, county chairman.

Income tax payments and the heavy buying during the 4th War Loan Drive was responsible for the decline in bond sales.

The quota for April has not been announced, but will likely be equally as much as the quota for March.

Johnnie Conatser Wounded in Italy

Word has been received that Johnnie Conatser, who was wounded in Italy and has been in a hospital in North Africa, has been returned to the U. S.

4th Son Accepted In Armed Forces; 5th Expects Call

Elmer Wooten, Superintendent of Schools at Stratford, son of Mr. and Mrs. W. J. Wooten, passed his physical examination at Lubbock, Friday, and was accepted for service in the navy. This is the fourth son of the Wootens to be in uniform. Clarence, another son, has been waiting his call for some itme.

STORK SPECIAL

Mr. and Mrs. Gordon Thompson are the proud parents of twin boys born Monday at Waukegan, Ill., where Mr. Thompson is in the navy. Mrs. Thompson will be remembered as Lucille Middleton.

Lt. and Mrs. Conrad W. Freed have announced the birth of a son, Conrad Jackson, on March 31. Lt. Freed is thought to be on his way over-seas, and Mrs. Freed and the baby are in Detroit. Lt. Freed is head of the College Speech Department, and on leave for military service.

Mrs. Carl Laughery was called to the bedside of her mother, Mrs. Frank Caldwell, in an Amarillo hospital the first of this week.

Lt. James M. Davis Is Meteorologist in Army Air Corps

LIEUT. JAMES M. DAVIS

Lieut. James M. Davis, son of Mr. and Mrs. John Davis, who has just received his wings as a navigator at San Marcos, was a volunteer into that service from the field of Meteorology.

Lieut. Davis is a graduate of Canyon High School and of West Texas State College where he majored in Science. After leaving Canyon, he attended Texas University and worked as a chemist of Phillips "66" at Phillips, Texas. He was working at Phillips when he enlisted.

After a 9 months course at Grand Rapids, Michigan, in a special school for selected scientists to study meteorology, Lieut. Davis received his commission and was sent to Marfa, Texas, to serve as a weather man at the Marfa Air Field.

In response to a call for volunteers for meteorologists to be trained as navigators, Lieut. Davis was sent to San Marcos, Texas, for training in that field and at the end of 18 weeks training was given his wings.

Lieut. Davis has ranked high in all fields of his training. He has recently spent a furlough with his parents and has reported to the army post for further orders.

No Certificates Needed to Buy Protein Feed Now

The County Agent's office has just been notified that no more certificates approved, by the AAA Committee, will be required for the purchase of protein meal and cake.

This will make it possible for livestock feeders to purchase protein feed without approval certificates and in more convenient quantities. Many feeders will want to accumulate a small reserve of protein feed as a safety measure.

Albert Minturn Died Suddenly Friday

Miss Pauline Brigham received a telegram Saturday that her brother-in-law, Albert Minturn had died suddenly at the family home in Salem, Oregon. Mr. and Mrs. Minturn spent a week here recently visiting with Miss Brigham. They were on a trip visiting their children who are now in service. Miss Brigham left Sunday night to be with her sister for a short time.

Mr. Minturn was in splendid health while here and died after an illness of only 30 minutes.

Rev. Claude White Called Gatesville

REV. CLAUDE W. WHITE

Rev. Claude W. White and family are moving to Gatesville Sunday, April 9. Rev. White is to be associate pastor of the First Baptist Church of Gatesville. He served as assistant pastor of the local Baptist church for 2 years. For the past year he has been pastor of Love and Vigo Park churches in Swisher County.

City Election Draws Interest

Dr. S. H. Condron Is New Member of Commission After Election

The city election Tuesday drew considerable attention from the voters, with no active campaign being in evidence among the candidates whose names were printed on the official ballots.

Running without opposition, W. A. Warren was elected mayor with 266 votes. Mayor Warren has served for one year, being selected to take the post in 1943 when C. H. Jarrett resigned.

Dr. S. H. Condron was elected one of the commissioners with 179 votes. He has been active in local affairs, having served on the school board, sponsored the Coordinating Council, and is now temporary chairman of the new County-City Planning Board. He was added to the city's representatives on this Board Monday night. Dr. Condron is head of the Department of Government of West Texas State.

B. F. Oatis was re-elected for his 2nd term on the commission. Mr. Oatis received 124 votes; Andy Walsh, 121 votes, and S. B. Orton, 80 votes.

The new City Commission took oath of office Monday night and held a short meeting.

April Ushered in By Three-quarter Inch of Rain

April was ushered in with a three-quarter inch rain Saturday night. No moisture has fallen since February 28, but the total for 1944 was boosted to 3.25 inches by this rainfall. No moisture fell last year until April.

All sections of Randall county were covered by the rainfall. However, the northeast section of the county did not receive as much rain as the balance of the county.

The moisture will be of great benefit to the grain crops. Farmers are highly pleased with the prospects for a crop as spring weather opens.

Army Scientist Wins Fight With Crocodile

Capt. Philip Darlington of Cambridge, Mass., waged and won a bare-handed fight against a particularly vicious 10-foot man-eating crocodile in the murky depths of a jungle pool, Cape Gloucester, New Britain. His badly mangled arms and hands are being treated in the rear base hospital to which Capt. R. A. Neblett is assigned.

Capt. Darlington is an entomologist of a U. S. Army Research unit working with the Marines and has been overseas five months.

Captain Neblett had written to his family two weeks ago about this incident which was described in detail in Friday's edition of the Amarillo Times.

Baptist Church Getting New Roof

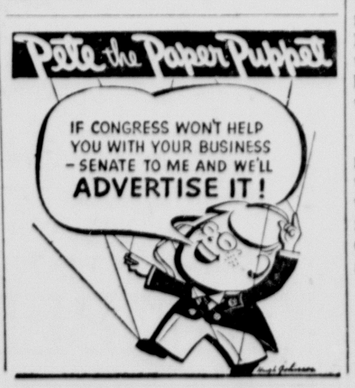
The Baptist Church in Canyon is getting a new roof on the entire building and the job is expected to be completed this week. It is part of the improvement job that will last through the year and which will eventually make the building probably the most commodious of any Baptist church in the Panhandle with less than a thousand members.

SUNDAY VISITORS

Pvt. Ira Greenfield, Mrs. Dan Altman and daughter Judy, Teddy and Norma Jean Schuler of Post and Mrs. Si Marchbanks of Mobeetie, visited Mr. and Mrs. Ted Schuler and Mr. and Mrs. J. Madison Daugherty, Sunday.

Pvt. Greenfield is with the 8th Service Command and has been stationed at Socorro, N. M., but is being transferred to San Antonio, since the Socorro Training Center has been discontinued.

Sunday Mr. and Mrs. N. E. McIntire celebrated their wedding anniversary with their daughter, Mrs. J. P. Whittington, and family in Amarillo.



B. T. Johnson Died on Tuesday; Funeral This p.m.

B. T. JOHNSON

B. T. Johnson, 81, died Tuesday at 11:57 a. m. at an Amarillo hospital where he had been taken a week previously for medical treatment.

The funeral serivce will be held Thursday afternoon at 3 o'clock at the Baptist Church in Canyon in charge of the pastor, Dr. Roy L. Johnson.

Pall bearers will be Dr. Lee Johnson, W. H. Harden, Ed Phillips, A. B. Holt, J. C. Dowd, J. E. Cheyne.

Honorary pallbearers will be G. B. Heath, Virgil Henson, John Hammond, R. C. Hillier, A. K. Goodman, Dr. C. E. Donnell, John Wright, Dr. Harris M. Cook.

Interment will follow in Dreamland Cemetery by the side of his wife who died July 1, 1934.

Mr. Johnson was born in Wilson county, Tenn., Dec. 20, 1862. He lived in Kentucky for 26 years before coming to Texas. He was married in December, 1886. Both Mr. and Mrs. Johnson were tireless workers in the Baptist Church and he served as Sunday School Superintendent before coming to Texas.

They moved to Armstrong county in 1891 and immediately organized a Baptist Church, conducting the services of the church for many years. In 1901 the family moved to a farm in Randall county, and then to Canyon in 1908. After engaging in the hardware business for a few years he devoted his time to contracting, and erected many of the homes and business houses of Canyon.

Surviving are four children: Mrs. A. S. Kenyon of Amarillo, Mrs. J. C. Compton of Clovis, Walter C. Johnson of Dallas and T. P. Johnson of Sweetwater.

David Sharman Maurice Crain German Prisoners

W. H. Crain has received a letter from his son, Sgt. Maurice Crain, who is a prisoner of the Germans. His bomber was shot down but most of the crew escaped without injury.

Sgt. Crain states that Sgt. David Sharman, formerly of this city, is now in the concentration camp in Germany with him. Both are reported well.

Presbyterial Meet Thursday and Friday

The 43rd Annual Meeting of the Women's Presbyterial Society of Amarillo Presbytery, Presbyterian Church, U. S. A., will convene in the First Presbyterian Church, 1315 5th Avenue, Canyon, Texas, April 13-14, with Presbyterial president, Mrs. John H. Olson, Hereford, presiding.

The guest speaker will be Mrs. David M. Thomas, member of Board of National Missions.

Registration begins at 10 a. m. Thursday. The formal opening will be at 11, Thursday. To complete Thursday's program there will be an afternoon program beginning at 1:15 and an evening program at 8.

Friday the program will be continuous from 9 a. m. to 12.

The public is cordially invited to these open programs, both days.

Mrs. J. R. Bright of Plainview has bought a home at 2005 Seventh Avenue and will move here in about two weeks. Mrs. Bright is the mother of Lt. Houston Bright and Lt. Weldon Bright. Her husband, the late Rev. J. R. Bright, was buried at Dreamland Cemetery last week.

Arthur M. Roberts is now at Norman Oklahoma, in school, where he was sent from San Diego, Calif. He was joined there by Mrs. Roberts, formerly Lorraine Penick. Mrs. E. C. Penick, Sr., went with her for a short visit.

Chief Petty Officer C. O. Croson from Camp Perry, Williamsburg, Va., has recently visited with his mother, Mrs. N. A. Croson.

Air Program Closes June 30

War Department Announces 36,000 Men Will Be Sent To Ground Training

The War Department issued orders Friday night closing the 350th College Training Detachment on June 30. Five Colleges of Texas were affected in the closing order, and a total of 80 colleges throughout the nation were affected.

The 350th Detachment celebrated its first year at West Texas State last week. During this period intensive college training has been given the young men who have been in training for pilots.

While this work was in progress preliminary flight training was given at the Canyon Aviation Service, which is owned by G. W. Cox. Mr. Cox states that the field will continue in operation after the students are transferred. He owns everything at the field excepting the planes, which were taken over by the government.

The War Department has ordered 36,000 cadets transferred to ground forces because of the excess number of pilots which have been trained.

Stafford Hall, Terrill Hall and Buffalo Courts will be turned back to the college for the housing of young men who are expected to take part in the athletic program which will be resumed in West Texas State this fall.

Science work of the college will all be moved to the new Science building as soon as classes for the cadets are ended.

It is unlikely that additional men will be sent here for training. The different flights will probably be shipped out as they finish their work.

May Call For Men May Dip Into the Farm Labor Group

Randall county has been called upon to furnish 38 more men to Selective Service on May 22. The call came Monday in order to give the local board ample time in which to carefully check the rolls to find all available men.

The April call is for 54 men. This group will leave Canyon on the afternoon of April 21. The local board has finally found a sufficient number of men to fill this call.

Where the men for the May call will come from is a deep mystery. However, according to press releases Selective Service is going after all men under 26 years of age, regardless of their present deferments. It is indicated that even boys from the farms may be taken into the armed service in order to build up the army to the point which is deemed necessary.

No additional calls for induction have been received. There are 25 men qualified for the navy and the only call is for seven men on April 17. There are 21 men qualified for army and the call is for 11 men on the 17th.

Chas. Zoellers Observe 58th Anniversary

Sunday, March 26, was the 58th wedding anniversary of Mr. and Mrs. Chas. Zoellars, parents of Mrs. George Taylor. Mr. and Mrs. Taylor were their dinner guests.

Among those who called in the afternoon to extend congratulations and leave gifts were: Mr. and Mrs. Grady Ponder, Mr. and Mrs. Elmer Bauer, Mrs. A. J. Greenfield, Mr. and Mrs. H. R. Stone and Phyllis, and Mrs. Earl Cowan.

43 Votes Cast in School Election Held on Saturday

Only 43 votes were cast Saturday in the election for school trustee.

J. H. Lisle and Paul Lindsey were re-elected without opposition.

The term of office for trustees expire on May 1st, after which time the nine trustees will meet and organize for the coming year.

Ed Phillips' Father Died Monday

George Phillips, father of Ed Phillips, died in Huntsville, Arkansas, Monday, April 3, at the home of his daughter, Mrs. Nora Cougar. He had been bed fast since last June. Beside Ed and Mrs. Cougar, there is one other child surviving, Mrs. Nancy Morrison, Laurel, Montana.

Funeral services were held at 2:30 Wednesday. Mr. Phillips was unable to attend the services

Mr. and Mrs. L. B. Penick of Lefors were recent guests in the E. C. Penick home. They were accompanied by Van and Byron Ford from Amarillo. Lt. E. C. Penick who is stationed at Langley Field, Va., is studying for two weeks at a camouflage school in South Carolina.

Mrs. F. S. Hayes of San Diego is visiting with her sister, Mrs. M. J. Newman. Mrs. Newman expects to return with her sister to make her home in California while Mr. Newman is in the army.

Red Cross Has Exceeded Quota

National Headquarters Asks That Drive Continue for An Additional Period

On the night of March 31, in response to a telegram from the St. Louis office of the American Red Cross, the Randall County Chapter reported "Quota made." Not all the money has been turned in and a complete report is not yet possible, however.

Following the directions of the national headquarters of the Red Cross, as contained in a letter from Leon Fraser, the National War Fund Chairman, work on the drive will continue. The letter said, Chapters should continue their efforts until every person has been given an opportunity to contribute." According, County Chairman, T. V. Reeves says that work may continue for two or three weeks more in order that every person in Randall County will have a chance to share in the work of mercy and service which the Red Cross is carrying on all over the world. Mr. Fraser in his letter pointed out that the $200,000,000 asked for this year represents the absolute minimum for the work which the United States government has asked the Red Cross to do.

Nine hundred sixty-nine donors appear on the Randall County list; this includes 373 in the country, and 596 in Canyon. All the workers report that the spirit of people in the county could not have been surpassed, and that the only difficulty was in finding people at home—most of them being at work many hours each day. The County Chairman wishes to thank all those who gave their time to the work, and especially those in the country who had to drive long distances. The First National Bank, largely thru the Red Cross treasurer, Levi Cole, and W. J. Wooten gave many hours to the drive.

It is hoped that Randall County can enlarge all phases of its Red Cross work this year, as it is evident that need will be increased as the war progresses.

March and April Milk Subsidies In One Payment

The local AAA office has been ordered to pay milk and cream subsidies for March and April in one payment for the two months.

This will mean saving the sales tickets for the two months and claiming payment during the first week in May for the 61 day period, March 1 to April 30.

Milk and cream producers are urged to hold all March sales tickets and not bring them in until after the end of April.

Payment rates for the two month period is 60c per hundred on milk and 8c per pound on butterfat sold.

Delegates Represent Canyon P. T. A. at District Meet

Mrs. Stacy Howell, Mrs. Burney Slack, Mrs. W. W. Nicklaus, Mrs. D. M. Foster, Mrs. J. B. Speer and Miss Velta Speer attended the District P. T. A. meet in Pampa, April 4, as representatives of the Canyon Grade School organization.

Mrs. D. L. C. Kinard of Memphis, President of 8th District presided.

Dr. D. M. Wiggins, President of the School of Mines, El Paso, was the main speaker of the day. A panel discussion led by Dr. Wiggins with superintendents of different schools of the district and other educators taking part was the high light of the program. President J. A. Hill took part in this discussion.

Mrs. W. W. Nicklaus, Canyon, was appointed District chairman of publications.

T/Sgt. Zella Cross, WAC, from Santa Fe is spending a furlough with her mother, Mrs. M. E. Cross.

Surprising gains are being made by American fighting units against the Japs. The little yellow devils extended their lines so far that they are unable to hold their gains. This is naturally to be expected. American troops report one significant fact: War materials of the Japs are inferior. If this is generally the case, no wonder. The Japs have been engaged in making inferior goods which have flooded American markets. No doubt they believed that since we were foolish enough to buy their junk, that they could get by with any sort of war materials even of so vastly an inferior type. On the other hand the Germans have been noted for making superior products, which is reflected in their machines of death. The Japs have not had in their manufacturing plants the stolen materials from the various islands of the Pacific long enough to improve their war materials. However, the going will become tougher as the Japs are driven closer to their home bases.

The soldiers will get a vote, in some fashion or other. The President allowed the bill to become a low without his approval. However, he sharply criticised the bill and urged corrective amendments. Congress will hardly try to pass such amendments in face of the long time that it took to pass the measure. *The News* has maintained from the very start that only a few soldiers were interested in voting, but they did not like the idea of Congress telling them they could not vote, or even handicapping them in the form of ballot which they must cast.

Amarillo politicians are determined to get out an opponent against Congressman Eugene Worley. Various candidates have been suggested. So far none of the prospective candidates have had the nerve to make the campaign in the face of present conditions. Running for public office in 1944 is going to be a the war than they are in politics. Is it possible that thewar than they are in politics. Is it possible that the main trouble with Gene Worley is that he does not live in Amarillo?

Vice President Wallace, torch bearer for continuing the New Deal, is now said to be almost assured of a place on the ballot as running mate for the President. The President indicated a willingness to drop the cognomen, "New Deal." Henry refused to drop the word, and has been campaigning all over the nation, urging the continuation of New Deal policies. If the New Dealers are continued in office, let's hope that the President lives through another term of office.

The apparent misunderstanding among the Allies is beginning to show up, and will be at a boiling point by the time the peace table is reached. Russia has been urging a second front, which Churchill vetoed. Roosevelt has attempted the role of peacemaker, but seems not to be getting very far. To write a just peace will be harder than to whip a well prepared army.

Panhandle publishers should be interested to know that from every indication the 35th annual convention of the Panhandle Press Association will be the greatest in the history of the organization. The attendance April 14-15 is likely to surpass the record enrollment of last year.

The Oklahoma election of last week is being hailed as a strictly New Deal endorsement. Political writers say that President Roosevelt accepts the result of this election as a clear vindication of his administration. There is no longer a doubt that he will run for the 4th term, say observers. Just when there was ever any doubt about his intentions has never been made clear. Be that as it may, a special election in one district of the 450 of the nation is not a very clear indication as to how the voters feel. Incidentally, Senator W. Lee O'Daniel helped the Republican candidate with a speech—and just look at the influence he has over Oklahoma voters. Pappy is not so well known in Oklahoma as he is in Texas.

Stalin has made a trade with the Japs. He regains valuable concessions which were wrung from the Russians a few years ago by the Japs. This indicates that the Japs are anxious to keep Stalin off their neck in the Pacific; and likewise shows that Stalin is looking to the future for Russia in the Pacific. When the Japs are knocked out, Stalin is going to take a hand in the peace settlement, just as he is preparing to do in Europe. Americans have had such a suspicion of Russia for so many years that probably no one in the nation really understands Stalin and his hard handed method of doing business.

If you want to take a hand in the Democratic nomination for president, you must attend the precinct conventions next month. The Roosevelt New Dealers are going to try to stack these conventions, and the anti-New Dealers will likewise try to get the largest number of voters out. That is the only voice the average voter will have in determining the type of candidate which will be put out this year by the Democratic party.

Washington has observed that there is no question about an adequate food supply for 1944, but the supply must be used with discretion. That's what the bureaucrats tell us—from their swivel chairs in Washington. Talk to farmers and you will hear a different story. The labor situation and shortage of machinery is likely to play a real role in the reduction of food supplies of the nation. Furthermore, if all boys under 26 are taken off the farms, there will be no chance to supplement the dwindling manpower on farms.

Various explanations of our failure at Cassino have been presented. It seems that the main reason is that we got there with too little, too late. It is admitted that co-operation has not been any too good. The Germans took advantage of the hesitation to fortify natural barriers, and the Allies have never been able to rally enough strength to oust them. Maybe Cassino is a sort of bluff, or sideshow to the real event which could be pulled off at some other place. Who knows?

When the English parliament turned down Churchill last week, the old boy put on his fighting clothes and dared the members to oust him. It was either "do as I say, or I quit." Parliament changed its mind and decided that it was a poor time to change horses. We have rather suspected that this will be the way voters will feel in America when November comes and the war is not over. They will feel that Roosevelt should stay in office until the end of the war in spite of all the mistakes on domestic problems.

Randall county's lead in forming a county-city planning board is being followed by other counties. Randall county has been highly complimented from many sources. Floyd county is the first to buy an adequate air field for the future air development. Randall county citizens have been considering this problem, and the new planning board has a real opportunity to develop plans which will lead to an adequate field.

Those who were so certain that the war in Europe would be over in 1944 are now very much in doubt. If the war is over by the summer of 1945 it will be as soon as the best informed war strategists really expect.

New luxury taxes became effective Saturday. From reports over the nation these new taxes on luxuries have not reduced popular demands for such luxuries. When people have money they are willing to buy, taxes or no taxes.

Canyon Ranks An "A" Association In Girl Scouts

On March 28 in the basement of the Methodist Church the Girl Scout leaders and their Troop Committee members organized an "A" Association for the Girl Scouts in Canyon. Mrs. W. W. Nicklaus was elected as president; vice-president, Mrs. I. H. Owens; secretary-treasurer, Mrs. K. R. Schramm. The duty of this association is to function as an executive board for Scout Troops and to have a central unit to handle their problems and finances.

This association will meet once every three months. Their next meeting is to be held on the evening of May 9, at the Methodist Church at which time Miss Ida Mae McClure, district advisor from National Headquarters, will be the main speaker to help plan for the summer camp and summer activities.

The Girl Scout movement in Canyon has increased not only in number but in strength and activity this year. Last year there was only one intermediate scout troop with fourteen members. This year there are two active troops with fifty members. Last year there was one Brownie Troop with fifteen members. This year there are six Brownie Troops with an average membership of sixteen to each troop. Canyon now can boast of approximately 150 girl scouts.

Each troop has two leaders and is backed by a troop committee of five citizens. The troops and their leaders with the troop committee which back them are:

Troop 1: Leaders, Mrs. Morris Small, Miss Beatrice Reich, Mrs. Glen Marlin; Committee, chairman, Mrs. L. H. Owens, Mrs. G. D. Drake, Mrs. E. C. Hawkins, Mrs. Otto Samuelson, Mrs. Glenn Marlin.

Troop 2: Leaders, Mrs. Barnhill, Miss Iris Brown; Committee, chairman, Mrs. Sam Appleton, Mrs. Mary Sligar, Mrs. Morris Small.

Troop 3: Leaders, Mrs. W. R. Vandergriff, Mrs. K. R. Schramm; Committee, chairman, Mrs. W. W. Nicklaus, Mrs. A. M. Hollabaugh, Mrs. J. S. Humphreys, Mrs. K. R. Schramm, Mrs. L. K. Bolton.

Troop 4: Leaders, Mrs. S. H. Condron, Miss Mary Prescot, Miss Irma Fox, Miss La Nelle Harmon; Committee, chairman, Mrs. J. B. Speer, Mrs. W. A. Miller, Mrs. Fred Soll, Mrs. O. T. Mann.

Troop 5: Leader, Mrs. D. E. Hawkins; committee, chairman, Mrs. Ray McReynolds, Mrs. Dewey Foster, Mrs. Hosea Foster.

Troop 6: Leaders, Mrs. P. H. Neill, Mrs. Jack Taylor; Committee, chairman, Mrs. R. A. Neblett, Mrs. Ralph Cabe, Mrs. L. K. Bolton.

Troop 7: Leaders, Mrs. J. E. McGehee, Mrs. D. E. Hawkins; Committee, chairman, Mrs. E. J. Cundiff, Mrs. Hosea Foster, Mrs. R. A. Neblett.

Troop 8: Leaders, Mrs. M. O. Slack, Mrs. B. L. Davis; Committee, chairman, Mrs. Stacy Howell, Mrs. John Jennings, Mrs. James Jennings.

Presbyterian Church Easter Service

At the Presbyterian Church on Sunday morning the choir will sing the anthem, "He is Risen" by Simper. The pastor, Rev. Robert W. Jones, will preach on "The Children of God Shall Live Forever."

At the evening service at eight o'clock, the choir of the First Christian Church will join the choir at the Presbyterian Church in singing the message of the Risen Christ. Four anthems will be sung: "All in the April Evening" by Robertson, "In the End of the Sabbath" by Speaks, "They Have Taken Away My Lord" by Stainer, and "Christ the Lord Is Risen Today" by Ambrose. Miss Maude Cuenod will sing the solo, "Resurrection" by Curran. Miss Jean Tarlton will play a violin solo, "Meditation." A duet, "Meditation at the Cross," will be played by Mrs. Lee Foster, organ and Mrs. J. D. Barker, piano.

Everyone is invited to attend these services and worship the "Risen Christ." When our loved ones on many fronts are facing death, we need to hear the reassuring message that Christ lives and they that believe in Him shall also live.

The Role of Woman

Is this role changing? Probably not, for the care of life has always been her first concern, but her ways of doing this work cannot stay the same.

The interdependence of countries, communities, and families is generally known. Happenings outside the home affect it as much as happenings inside. Family resources and national resources are closely related.

What are some things that women must know or do if they dispense their social responsibilities?

1. They must know the actual cost of maintenance in terms of food, housing, clothing, and other items.
2. Farm women should know the problems of urban wage earners. Workers in the town or city should know the problems of the farm women.
3. Women should be able to understand and discuss the benefits of the Social Security Act and Beveridge Plan.
4. They should know that married women often work to provide adequate income. Today many are in work essential to winning the war. (Are nursery schools and play centers necessary?)
5. Women should be informed on good low cost housing possibilities. The public will have to demand such if it comes to pass. Likewise, demands will have to be made for safe, economic handling of foods.
6. Women must be able to work together in organizations, councils, etc., to bring about wholesome feelings between groups as well as worthwhile rules and legislation.
7. Women must also know about the qualifications of candidates for local, state, and national offices.

How do YOU measure up to these requirements for woman in a changing world?

According to the census, there are 100 women to every 97 men in the United States. It is something to have this feeling of being outnumbered explained.

The word hippopotamus is derived from the Greek hippo, meaning horse, and potamus, meaning river.

MAYBE...

BUT...
OIL-PLATING YOUR ENGINE
is like outdoing the future—today

The first changes in new cars might be "miracles"—or moderate. Regardless, no new engines will be free from corrosive acids, always "planted" inside by every engine's explosions—just as in your present car. The more it stands unused, the greater the risk from trapped acid. This stepped-up risk arrived with rationing. Yet even before, when steadier heat in unrationed driving ousted acids partly, the prudent motorist still took advantage of all the extra acid-resistance made possible by having his engine OIL-PLATED.

This big advancement—a safely OIL-PLATED engine—can be "standard equipment" in your own car right today, at the mere price of a Spring oil change.

Out with unfit Winter oil! Then change to Conoco Nth motor oil to have your engine automatically OIL-PLATED. The highly advanced synthetic in Conoco Nth oil—patented—seems like "magnetism" in causing inner engine surfaces to attract and hold a layer of OIL-PLATING...a corrosion-resisting shield between acids trapped inside and every surface that's OIL-PLATED.

Wouldn't that make you OIL-PLATE your Victory car? It can help you bridge the gap until then, too. Simply change to Conoco Nth for Spring at Your Mileage Merchant's Conoco station. Continental Oil Company

EASTER'S message of Eternal Hope for the world holds greater meaning than ever for all of us this year. Thru the fight for freedom that lies before us we must have deep-rooted spiritual courage and steadfast faith in the good for which we fight. We wish to give, we MUST give, the fullest measure of support. In these crucial days each of us has a very real personal need for Almighty guidance. Go to church and receive the renewed strength that is Easter's shining promise to those who listen for its message of Hope.

Prayers for our men and women in service, prayers for the victory of the Allied powers . . . these are prayers from our hearts. But the message of Easter has broader dimensions. This is an Easter season in which we should give thoughtful consideration to the better world that is the goal of our war. This Easter brings the promise of broader horizons, brighter horizons . . . for this promise we can give thanks together . . . toward the realization of this promise we can gain new inspiration by joining together on Easter morning.

Go to the Church of your choice and pray that Victory shall come during 1944 . . . and a just and lasting peace shall be written.

EMILY SORELLE BECOMES BRIDE OF CAPT. UPSHAW

Miss Emily SoRelle, daughter of Mr. and Mrs. A. W. SoRelle of Canyon and Amarillo, became the bride of Captain John Lucian Upshaw, son of Mr. and Mrs. Fancher Upshaw, 4224 West 12th Ave., in a ceremony at the St. Andrew's Episcopal Church, April 3.

Rev. F. A. Foster, pastor of the church, read the service at 2 o'clock in the presence of the immediate families. The traditional wedding marches were played on the organ by Miss Nellie Earhard, who also accompanied Mrs. David Brown in the singing of "Oh Perfect Love."

Palms, candelabra, and flowers decorated the altar, forming the background for the exchange of nuptial vows. Mrs. Fancher Upshaw, Jr., attended the bride as matron-of-honor, and Mr. Fancher Upshaw served as his son's best man.

The bride, who was given in marrage by her father, wore a gold colored suit with complimenting accessories.

Captain and Mrs. Upshaw are graduates of Amarillo High School and Texas Technological College, Lubbock. Mrs. Upshaw has been employed by North American Aviation in Dallas. Capt. Upshaw is serving with the U. S. Marines and has just returned from a 22-month assignment in the Pacific theater of operations. He spent a year on Samoa and with the 22nd Marines when they landed at Eniwetok in the Marshall Islands.

The bridal couple left immediately following the ceremony for the Upshaw's cabin at Eagle Nest, N. M.

ZITA H. D. CLUB ENTERTAIN HUSBANDS

The husbands were guests of the Zita Club, Friday, March 31, at 8:30 p. m. in the home of Mr. and Mrs. H. R. Fulton.

The first part of the evening was spent in games and contests. Then with Mrs. Henry Brumme ably acting as auctioneer, useful articles were auctioned. One package of Dreft caused considerable excitement among the ladies.

$39.42 was raised, $10.25 of which was donated to the Red Cross.

A buffet lunch was served from a lace covered, flower centered table to Mr. and Mrs. O. A. May, M. H. Rockwell, Henry Brumme, B. E. McCormick, Forrest Gruner, D. C. McCormick, H. B. Hales, J. P. Upchurch, Ralph Ruthardt, E. A. Michatel, Marshall Rockwell, Jr., Wayland Angel, Mrs. Angel's mother, Mrs. Bullard and Betty Jane, Ruby Lee and Martha Mae Hales, and the host and hostess, Mr. and Mrs. H. R. Fulton.

GREEN HAVEN H. D. CLUB MEETS WITH MRS. KEENEY

The Green Haven Home Demonstration Club met Monday afternoon, April 3, in the home of Mrs. J. L. Keeney. The business meeting was conducted by the president, Mrs. George Ross. Roll call was answered by "Naming one piece of proper poultry equipment." The program for the afternoon was on "Sanitation" and the group heard a most interesting discussion by Miss Patterson, demonstrator.

Attending were the following members: Mrs. Jack Cage, J. L. Keeney, J. C. Arden, C. O. Mathews, Bill Burrell, Sid Carter, Ray Minner, C. S. Watkins, Jr., R. T. Norman, Geo. Ross, Marion Bruce, and the demonstrator, Miss Patterson.

The next meeting will be on April 17 at 1:30 o'clock in the home of Mrs. Bill Burrell. The program will be on "Gardening in Randall County."

PRESBYTERIAN GUILD HAS EASTER PROGRAM

On Tuesday evening the Presbyterian Guild met in the home of Mrs. E. D. Harrell with Mrs. Newton Harrell as hostess. Mrs. Harrell showed the motion picture on the life of Moses.

Mrs. R. A. Neblett gave a most beautiful candlelighting ceremony, "Holy Week," as the devotional.

A social hour followed. Those present were: Mrs. R. P. Jarrett, Jr., Mrs. Harold Shanklin, Mrs. Robert Jones, Mrs. I. F. SoRelle, Mrs. T. E. Allen, Mrs. H. A. Brown, Mrs. R. R. Rigsby, Mrs. H. L. Owens, Mrs. Clarence Thompson, Mrs. Lee Foster, Mrs. R. A. Neblett, Mrs. Cecil Briggs, Mrs. James Cole, Mrs. Howard Cornelson, Mrs. J. D. Barker, Mrs. A. B. Haynes, Jr., Mrs. W. L. Smith, Mrs. H. P. Neill, Mrs. Ed Harrell and the hostess.

Delta Zeta Chi Presented New Members Friday

Delta Zeta Chi sorority presented its fourteen new members at its formal presentation last Friday night. The girls were presented through the leaves of a satin covered book; the pages symbolizing sheets of music. At the top of each page as the title of the song was the girl's name in black letters etched in gold. The lettering on the cover of the book was "Delta Zeta Chi Presents Sorority Waltz." As the girls walked out of the book, they were met by President Miss Mary Jo Priddy, who tied a gardenia wristlet on their left arms.

The girls were met at the steps by their escorts who led them out on the floor.

Members of the graduating class of the 350th C. T. D. and faculty members were guests.

Alpha Chi, under the sponsorship of Dr. Mattie Swayne, was in charge of serving the buffet supper which was furnished by the Training Detachment.

The new members who were presented, and their escorts were Winnie Fred Ramage and Harold Ramsey, Ruth Hall and Sgt. Huffstickler, Betty Pugh and Terry Edwards, Frankie Phillips and Bobby Dowd, Bobby Brandt and Pete Simpson, Vesta Gamble and Larry O'Donnel, Doris Collier and John Sawaki, Sharline Burch and Bob Reedy, Alpha Mae Shafer and Mac McDonald, Dorothy Tye and Dan Sarnawski, Zeta Lynn Blume and Sam Johnson, Modeen Wilson and Sgt. WARREN'S

The passing of Irvin S. Cobb calls to mind an interview your columnist had with Cobb's close friend, Bob Burns, several years ago. Burns related an occurrence in connection with the filming of his newest picture:

"Cobb was visiting on the set and he told a story and then I told one. While I was telling mine, he had thought of another and tapped his fingers on his knee, impatient for me to finish—and I did the same while he was telling one. Everybody else crowded around and we weren't getting any work done on the picture until at last the director good-naturedly shooed Cobb away."

Later, Cobb wrote Burns that he was making use of some of the bazooka player's jokes in speeches: "I always mention your name as the originator of the stories but I do it in such a reverent tone they they may not hear it.

"And they laugh at the jokes, too—it must be the way I tell 'em."

Cobb phoned Burns one day and invited him out to the house for supper, explaining: "Mrs. Cobb has never met you and she has expressed a morbid curiosity to see you."

Looks as though the Lieutenant Governor has reached the end of the political trail.

He has an intense ambition to be Governor, and the Attorney General's office is the traditional stepping-stone. Though carrying on a feud with Attorney General Sellers through long and fiery statements to the press, the Lieutenant Governor seems fearful of entering the race for Attorney General and thereby carrying his controversy to the voters.

If the Lieutenant Governor doesn't dare run for Attorney General this year, how can he hope to get anywhere in 1946 in a far more difficult race for the higher office of Governor? A formidable array of candidates is likely then, including State Railroad Commissioner Beauford Jester (candidate this year for a 6-year term on the Commission) and whoever is Attorney General then.

Yes, the Lieutenant Governor—like so many of his predecessors—will likely find that office to be a "dead-end" street.

Mrs. Amanda Sikey has returned to Baltimore after an extended visit with her sister, Mrs. N. A. Croson.

Ottis Cheyne Gets Recognition In Press Dispatches

Another of Canyon's 36th "Texas" Division boys, Pfc. Charles Ottis Cheyne, has been on a ticklish job, according to a story from Washington.

"In the spectacular three-day battle for the Rapido River in Italy, the Texas unit worked night and day to evacuate the wounded and sick from the front lines to rear base hospitals. Every man in the unit, including cooks, KP's and others whose duties usually never carry them to the front, volunteered at one time or another during the bitter fighting to assist the hard-pressed rescue workers.

During a silence period requested by the Germans, seven Texans crossed over the rain-swollen river to evacuate American men behind enemy lines. For one hour and 45 minutes while guns on both sides of the river were silent, these men worked at their dangerous job. One volunteer litter squad was former by PFC. CHARLES OTTIS CHEYNE of Canyon, Pvt. Orville U. Allen of Dodson, and Pvt. R. C. Alexander of Colorado City.

German first aid men met the Texas medicos at the river's edge and escorted them single file through the mine fields, in which the mines were as thick as flies, according to the Americans.

Most of the American wounded behind German lines were exacuated before the silence period ended. However, a few were left behind and the Germans would not permit the Texans to cross again and rescue them.

Ottis Cheyne mentioned in this article left Canyon in 1942 as a volunteer. He is a brother to Jim Cheyne.

Baptist Easter Services

Both morning and evening worship hours at the First Baptist Church in Canyon will be based on the Easter theme. The choir will sing two anthems at morning and the pastor will preach on "The Keys of Death and Hell" basing his message on the statement of Jesus to John in the Revelation.

The evening service at 8:15 will be one of a dozen Scriptures with music numbers accordingly. Choir numbers, anthems, duets, solos, etc., will emphasize the Seven Last Words of Christ and the Triumph over the Grave. Bob Kilgore will direct all the music of the day and pastor Roy L. Johnson will preach and read the scriptures.

Christian Church Easter Program

A Communion Service will be held at 8:30 Thursday evening, April 6, at the First Christian Church. Choirs of the Presbyterian and Christian Churches will assist in the service.

The public is invited and all persons who are believers in Christ are welcome to participate.

Freshmen Attain Supremacy

Canyon School Board Selects Sanders 1944-45 Principal

Ex-Student Stores Great Quality of Experience

At a meeting held March 16, the school board elected Milton Sanders, teacher and ex-student of Canyon High School, to the position of principal for 1944-45.

Mr. Sanders, who has been a member of this school's faculty for ten years, came to Canyon in 1934 and taught two years in the grade school building, and since has taught shop, mechanical drawing, and physical education in the high school building. He has also held the position of coach for the past two years. During his high school years, Mr. Sanders lettered in football, basketball, track, and baseball. While in West Texas State College, he was a four-year letterman in football and track.

In addition to his principalship duties, Mr. Sanders will continue to teach and coach.

At the same board meeting the contracts of all teachers, bus drivers, and janitors were renewed for 1944-45.

Shortages Limit Students' Work

Three classes of shop and mechanical drawing held in Canyon High School include thirty-six students taking shop and twenty-nine taking mechanical drawing. Seventeen girls are engaged in shop work and mechanical drawing.

"General Shop Woodwork," the textbook used by the first year class, was adopted last year. "Units in Woodwork" is the second year class book.

Due to the shortage of white pine, plywood, and other lumber, shop students are repairing ping-pong tables and stands, and building model Airplanes. Articles constructed by students include: footstools, tie and coat racks, table lamps, and coathangers.

"Although the students have a limited supply of machinery, they have good hand tools with which to work," said Milton Sanders, instructor.

ATTENTION TOWNSPEOPLE

We are hearing it said today that students of America are irresponsible, care not as to the condition of the war or the responsibilities brought upon them by the present world conflict, and, to put it bluntly, are going to the dogs. Is this true, or are people of our country and community believing a false delusion?

It is true that there is much juvenile delinquency, but is it the fault of the young people? Have the people of this city done anything to prevent this lapse in the moral standards of its youth?

Students want to be ready to cope with the situation of tomorrow through the right kind of recreation and environment today, instead of being looked upon as so-called delinquents in a war-torn world. Why couldn't various forms of recreation of the right kind be provided in Canyon for the young people?

If the churches and civic organizations of Canyon would cooperate with the schools and provide a youth recreation center, a considerable amount of the delinquency would be completely eliminated.

The students are ready and willing to co-operate, are you?

Pledges Pause to Pose

Evidently contented with the honor given them when they were chosen as Quill and Scroll pledges, the above girls smile happily while the photographer snaps his camera. They may not be able to show such gaity tomorrow, however; for a very informal initiation will be administered to them by last year's members of the society. From left to right the candidates are: top row, Ellen Root, Margaret Lair; bottom row, Billie Jane Bonifield, Ruth Price, and Evelyn Black.

Strain Evaluates Various Teams

Volleyball Groups Approve All-tournament Honors

At the close of the final game of the week-long volleyball tournament last Friday noon in the grade school gymnasium, the freshman team emerged the champions of Canyon High School by defeating the eighth grade teamsters, who entered the finals previously undefeated.

Three games were played, the first of which was won by the eighth grade, and the other two by the freshmen. Johnnie Marie Ford and Martha Jean Avent were the captains of the freshman and eighth grade teams, respectively, and also acted as coaches.

A trophy will be presented to the freshman team by Supt. J. B. Speer at some time in the future and in turn will be presented to the school by the captain, Johnnie Marie. Members of an all-tournament team, to be announced later, were elected by ballot in the various team groups and will each be presented with a recognition pin.

In an additional game Tuesday afternoon, the eighth graders, recognized by Miss Dorothy Strain, supervisor of the tournament, as an outstanding volleyball team of the school, played the school team in the grade school gym.

Taylor Cooks Strangling 'Egg' Smells To Terrify Students

What was the sudden odor that invaded the building about 12:30 last Thursday afternoon? Why were some of the weaker hearted children fleeing before the blast? Why were all the doors and windows suddenly flung open to emit the terrifying smell? Now for the $64 question. Who was behind the cooking up of the thing to begin with?

Mrs. Kirkland's enterprising young chemistry pupils were cooking up a lovely stinking batch of hydrogen sulphate. Their recipe, in case you are interested and want to cook up a batch of your own, is: several small lumps of sulfide, 10 cc of hydrochloric acid, and enough water to cover. This mixture is what gives rotten eggs their smell and believe me, we agree with whoever made this statement. Lindsey Taylor was the chief chef and bottle washer in this operation.

Mystery Solved

Also these mischievous little chemistry lads and lasses bottled up the stuff and carried it out into the hall to let it out. That's the reason the entire school got such a full benefit of that "rotten egg" blast.

A further exploit is the use of nitric acid on poor unsuspecting pennies to clean 'em up for spring. And, to quench their thirst, the young intellectuals brewed themselves a big pot of coffee and drank beaker after beaker of the powerful liquid.

What are those lab terrors gonna do next??????

Amateurs Score Record Audience

Play Cast Gives Director A Token of Appreciation

Before an auditorium packed to capacity, the senior class presented their annual play, "Demon In The Dark." With thrills, chills, screams and shouts of laughter, the audience sat tensely in their seats for two full hours of hilarious entertainment.

Hitting an all time high in Canyon High School play productions, the class netted approximately $110 on their mystery.

Between the second and third acts the play cast presented their director and sponsor, W. G. Sanderson, with a fitted kit as a token of appreciation for his undivided cooperation while working with the cast.

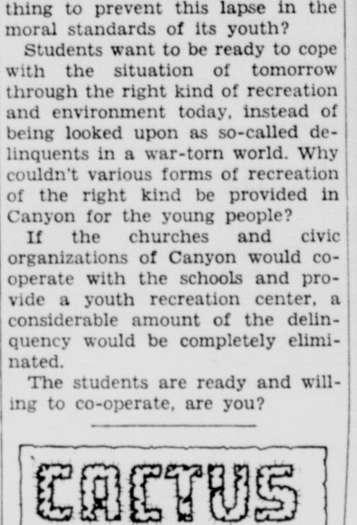
While Dido and Juniper, darky servants, tried to convince each other as to who was the bravest, Sondra, new owner of Lookout Lodge, endeavored to solve the mystery of the reappearing ghosts of Uriah Coffin, the Creole Woman, and the Blonde Bandit. Hindering Sondra's search were Duncan, Janet and the half-daft Mary, old residents of Lookout Lodge. Repeated attacks on Lizzie, Sondra's personal servant, by the fantastic ghosts and the unswaying belief of Ethelind, Sondra's sister, in the innocence of one Bob Hildreth enabled Sondra, with the aid of her friends to solve the mystery.

Sanderson Guides Cattle Judgings

In connection with a foods unit, students in the homemaking I class have been preparing and packing school lunches. After completing the lunches, they ate them during a social hour last Friday.

Under the guidance of W. G. Sanderson, the F. F. A. classes have been studying beef cattle. Last Thursday morning the class made a field trip to a nearby chicken farm to learn to blood test chickens.

In the regular meeting held last Friday, the agriculture class discussed the feeding of dairy cattle. Committees to decide on decorations and food for the coming Father and Son Banquet were selected by the entire class.



Greetings, kids! This is ole' Cactus Cal signin' on for a few minutes of gossip and informal chatter. Listen closely, because some of these items are just too good to pass up.

Evelyn Black and Billie Turner did a swell job of promoting good will Wednesday night. Shorty Tribble and Alvin House from California were the objects of this project; and "a good time was had by all."

Blind dates seem to be quite the fad, and a few strugglers of our old alma mater have proved them very successful. Just ask Sue Ann Moreman and James Lair, Vergie Haines and Billy Thurmon, or Frances Alice Harp and Irving SoRelle.

Zonelle Gregg and Blake Zachry really enjoyed the senior play, or so I heard.

Who is that beautiful, breathtaking, bewitching blonde bombshell J. Ray Hunter and John Gill have been escorting around town? Hey boys, don't be so stingy. You're not the only guys in school with an eye for beauty.

Annuals Recall Memories

"When you and I were young, Maggie."

Ah yes, now let us pull back the curtains of time and follow our own coach, Milton Sanders, as he roams the halls of both the old and new Canyon High School buildings and meets many of his fellow-students.

In 1923 we see him posing gracefully (?) with such famous and well-known names as Brown, Black, Faust, and Key to have his picture taken for the annual, "The Silhouette." The baseball season is very young when the annual goes to press, but just the same "Milt" is right in there pitching along with the rest. This year Eliene Cayton is elected all-round girl and Rhoda Lou Lane is the beauty Queen..

Outstanding Lower Classmen

Even the junior class has such distinguished students as Olive Schramm and Mark Foster. Boone McClure and Clarence Wooten are studious sophomores about this time. Marion Higdon, Felix Pierce, Lena Foster and Newton Crain are traditionally called "fish."

Time moves on and so must we; so let's skip 1924 and go to 1925. Here we find A. D. Payne as superintendent and W. D. Cox as principal. Clyde Warwick, S. B. Orton, R. P. Jarrett, T. V. Slack and Burt Newlin are on the Board of Trustees. They are honored in being the very first Board of Trustees in the new high school building.

Heading the senior class is President Delbert Lowes, while Robert (Bob) Foster, Lucille Dowd, and Boone McClure plaintively follow the plodden path.

Ex-students Dramatists

Ably leading the junior class is J. D. Hazlewood as president. Looking closer we also recognize such faces as Buster Brown, Roy Cheatham, Newton Crain and Ruth Strain. This is also the year that Mary Orton, Tommy Lair and Jack Taylor played "The Brown Men in the Glen" in the play "Hilltop." Virginia Jarrett played "The Haunt of the Fairies" in a piano recital.

Defending the Purple Eagle on the gridiron is Milton Sanders, tackle. He is used on both the line and in the back field and is a four year letter-man. Keeping up the tradition he holds today, we see Milton as Captain Sanders, guard, of the Cagemen.

This year the most popular girl is Zelma Robinson and the most popular boy is Delbert Lowes.

So we leave you dreaming over memories that are now but smouldering ashes.

"Yes, his wife has just called him up on the phone."

Classes Organize Entertainments

Sophomores attended a called class meeting Wednesday, March 29, to discuss plans for an assembly program. Since the date of the assembly falls on Pan-American Day, April 14, they decided on a Pan-American program. Cheri Kilchriste, Doris Meadows, Bonnie Drake, and Louise Dickinson were chosen as the committee to decide on definite plans for the program.

At a class meeting held Friday, March 31, Don Standley, Junior Class President, appointed Sandy Oliver, J. Spencer Winn, Tommy Thompson, Margaret Lair, and Vergie Ruth Haines as the committee to decide on the theme and decorations for the Junior-Senior Banquet. Plans were made for an all day picnic tot be held Saturday, April 8.

Games Entertain Freshman Class

For their first spring social, the freshmen had an all-round party last Thursday. Beginning at 4:00, refreshments of soda pop, cookies, doughnuts, sandwiches, muffins, and deviled eggs were served to the class. Afterwards such games as baseball, basketball, tennis, and volleyball were played until 7:30, when the students attended the picture show.

Mrs. K. Kirkland, sponsor; Mrs. Lonnie Byars, and Mrs. J. J. Wright, roommothers, were responsible for the refreshments.

GRADE NOTES

Last Thursday afternoon Dr. Harris M. Cook, the guest speaker at their Citizenship Club, read "Uncle Remus" stories to Mrs. Houston P. Doughty's third graders. After the meeting, popcorn and apples were served to the students and guests.

A new student in Mrs. W. E. Miller's fifth grade is Lavera Porter from Velasco, Texas.

Under the direction of Mrs. Mitchell Jones, the 5-W class drew pictures of "Homes Around the World" which are now on exhibit in her room.

Mrs. L. M. Cousins' fourth grade has an anonymous friend who presented them with a gift of money to be used for new books or other things that they might choose. Last Saturday Mrs. Cousins bought three books with part of the money. They are: "Cheeky, a Prairie Dog," by Josephine Sanger Lau; "New England Colonial Days," by Duffe; and "Southern Colonial Days," by Duffe.

"If the person who contributed the money happens to read this column, we want to express our sincerest appreciation for the gift," said Mrs. Cousins.

THE STATE OF TEXAS
County of Randall.

To: J. D. McAdams, the heirs of said J. D. McAdams, their heirs and legal representatives Defendants, and all other proper persons, including all record lien holders, owning or claiming, or both, any interest in the land or lot hereinafter described, same being delinquent for taxes to plaintiff herein and to The State of Texas and the City of Amarillo, Texas, taxing units in said State herein impleaded by plaintiff.

And you are hereby commanded to be and appear before the 47th District Court of Randall County, Texas, at the next regular term thereof, to be held at the Courthouse of said County, in the City of Canyon, Texas, on the fourth Monday in April, 1944, the same being the 24th day of April, 1944, to plead and answer Plaintiff's Petition filed in said court on the 10th day of March, 1944, together with pleas of intervention and claims now on file or hereafter filed in said cause by all other parties therein, in a certain suit No. 449-T in which Amarillo Independent School District is Plaintiff, and J. D. McAdams, the heirs of said J. D. McAdams, their heirs and legal representatives; The State of Texas and the City of Amarillo, Texas, are defendants, and then and there to show cause why judgment should not be rendered against you, and said land or lot sold under foreclosure of lien to satisfy the following taxes being delinquent against said property, to wit:

Lot One, Block twenty-nine, Edgefield Addition to Amarillo in Randall County, Texas, which is delinquent for taxes to the plaintiff herein in the sum of $16.85 for the years 1934 to 1943 inclusive, exclusive of penalties, interest and costs; together with all interest, penalties and costs allowed by law.

Given under my hand and seal of said Court, at office in Canyon, Texas in the County of Randall this 10th day of March, A. D. 1944.

(Seal) A. B. HOLT,
Clerk District Court,
3t3 Randall County, Texas.

TOWN and FARM in WARTIME

Prepared by OFFICE OF WAR INFORMATION

REMINDERS

Meats, Fats: Red stamps A8 thru J8 are good indefinitely. Waste kitchen fats exchanged for two points and four cents a pound.

Processed Fruits, Vegetables: Blue stamps A8 through K8 are good indefinitely.

Income Tax: Declaration of estimated 1944 tax and first quarterly payments are due by April 15.

FOOD RATIONING NEWS

From now on all food stamps will be good indefinitely, unless advance notice of expiration is given, the Office of Price Administration has announced. Housewives may budget their food purchases on the basis of three Red 10-point stamps every second Sunday and five Blue 10-point stamps the first of every month. To release cold storage space for other food, all frozen fruits and vegetables will not be rationed through April 29. Lard will remain unrationed, ready-to-eat hams will be one point lower, "dry-cured" hams are to be only one point above fresh hams, and other meat point values will remain almost unchanged. Food expected to be in good supply over most of the country during the next three months are potatoes, cabbage, spinach, lettuce and other leafy greens, carrots, beets, citrus fruits, canned green and wax beans, tomatoes and other fresh vegetables, frozen vegetables, shell eggs, fluid milk, bread, flour, noodles and spaghetti. The War Food Administration says each civilian will have on the average 132 pounds of meat in 1944, or one pound more than he had on the average during the decade, 1931-1940.

MORE NEWS ABOUT TIRES

More tires will be rationed for small trucks and farm tractors and implements in April than in March, but substantially fewer than in April, last year, OPA says. April quotas of new and used passenger tires are the same as for March, and the new passenger tube quota is 7.2 per cent over March. Meanwhile the War food Administration urges farmers to withhold appeals for conversion of tractors from steel wheels to rubber tires except in cases of extreme hardship, and suggests that many old tractor tires can be reconditioned. Standard sizes of civilian highway truck tires will now have 35 per cent less crude rubber and more synthetic, according to the Office of the Rubber Director, which says that the synthetic program can fulfill our military requirements for tires.

PLANS FOR FARM TRANSPORTATION

Plans for getting farm products to market and supplies to farms by motor truck include use of one farmer's truck to do what several farmers' trucks did, the Office of Defense Transportation says. Wasteful practices ODT frowns upon include — transporting farm products beyond nearest practicable market; operating empty vehicles when a full or partial load is available; operating with less than a full load where a regular collection service is available; operating in scheduled service over highways likely to cause undue wear; use of a heavy or large vehicle when a lighter one is available and suitable; and hauling persons when other transportation is available. ODT and WFA officials are now explaining the ODT program in a series of regional meetings.

YOU MAY AMEND TAX DECLARATION

While declarations of estimated 1944 income tax and first quarterly payments are due by April 15, amended declarations and payments may be made on or before the fifteenth day of the last month of any succeeding quarter—June 15, September 15 and December 15, the Bureau of Internal Revenue explains. When an amended declaration is made, any increase or decrease in estimated tax should be spread evenly over the remaining installments. Penalties are provided for failure to file a required declaration in time, failure to pay any installment of estimated tax on time, and substantial underestimation of tax.

NEW JUVENILE MANUAL PUBLISHED

A new manual, "Techniques of Law Enforcement in the Treatment of Juveniles and the Prevention of Juevenile Delinquence," has just been published by the Federal Security Agency, which has a limited number of free copies for distribution to civic officials and organizations requesting them.

ROUND-UP

OPA actions provide that—ten thousand new passenger automobiles and 12,000 new adult bicycles will be available for April rationing. . . . Pickled, spiced and brandied fruits will be restored to rationing in June to prevent large diversion of fresh fruit into these higher priced products. . . . Retailers of cosmetics and toiletries may continue to pass on the recently increased federal excise tax to consumers. . . . Ill persons may quickly receive extra amounts of rationed foods they need through special handling of applications for such extra rations.

One nice thing about gas rationing—you don't hear of motorists running out of gas on the highways like you used to.

Then there is the fellow who had to leave his job because of illness. The boss got sick of him.

It often shows a fine command of language to say nothing.

Your "sacrifice"

Dear Customer:

You have given up a lot of things because of the war.

You can't do much driving. You can't buy tires like you used to. And the same goes for meat and butter and cars and electric iceboxes.

That's tough on you. You're "sacrificing"

Me, too. My gas business is down to a trickle. My tire business has practically folded up.

And on top of that, I'm short of help. That's why it sometimes takes me longer to serve you than it used to.

But I am more anxious than ever to inspect your tires and your battery. If anything, my lube jobs are more conscientious than before. That's my part in helping you *Care for your car for your country.*

I am working longer hours than any man should, and making less money than I did. So that's my "sacrifice".

But, brother, you and I are not making any sacrifice that even deserves to be mentioned in the same mouthful with the sacrifices of our fighting soldiers, sailors, and marines.

Better Light HELPS KEEP EYES RIGHT

PERHAPS you're just a schoolboy, worrying over the lessons of today, hoping to build a better world tomorrow.

MAYBE you're a War Worker, producing for for the front . . . or

YOU'RE a soldier on duty at a desk, an army nurse, or a housewife working longer hours because these days there's so much to do.

WHATEVER your job, avoid eye-strain. Don't work in your own shadow. Arrange your lighting to best advantage. Sit near the lamp.

ONE OF THE WAYS to keep fit is to keep your EYES RIGHT. See your electric dealer, and consult him about your lighting problems. He may have the lights to fit your particular need.

Religions of the World Discussed at Rotary Luncheon

Dr. Roy L. Johnson discussed the religions of the world at the Rotary Club luncheon Tuesday.

He pointed out the fact that the Atlantic Charter says nothing about religion. Magazine articles, newspaper articles and books have been written on this topic. With the farthest point of the earth only 60 hours away, we should now know more about the religions of the world.

Men are incurably religious. Where you find people, you find a religion. "Can the world with so many religions stay in peace?" asked the speaker.

The eleven leading religions of today all originated in Asia. Many of our boys are now in Asia and more will go. They should understand the religions of these people.

Japan is the only world power which has sought to make a diety of the Emperor.

Seven ways to judge a religion were given: Its concept of God; its attitude toward man; its moral ideals; its doctrine of future life; its sacred writings; its influence on history.

America is great because our people have adhered to the principles of religion. It is a shame that we as a nation have not lived up to these principles.

Freedom of religions stand for freedom of the following: worship; propagation; conscience; interpretation; to hold property; from sacerdotalism; from government control.

The United States is the only nation in which there is complete separation of Church and State. Here we have the nearest complete freedom of religion. The speaker believes that the world will be better when this freedom exists in all the nations of the world.

Stuart Condron announced that an intensive campaign was being launched to bring students to West Texas State this fall.

W. W. Nicklaus announced that the resumption of the full athletic program at the college would bring many boys. Resumption of athletics will be good on the morale of the college and the community.

Visitors were: Bob Doran, Sam Seay, C. M. McMurtry, Howard Roberson, Jack Cunningham, H. L. Kearns, Jim Regle, all of Amarillo; Bob Lindsey of Borger; Tom Smyer of Canyon.

About 60 per cent of the prisoners in the United States suffer from abnormal mental conditions, according to the Rockefeller Foundation.

Canyon Lions Entertain Guests

Canyon Lions observed Ladies' night and entertained the district governor, Mr. Griffin, at an evening meal Thursday.

Governor Griffin spoke briefly during the evening.

Guests at the Tuesday luncheon were E. P. Faulkner, new manager of the M. E. Moses store, and 1st Lieut. Houston Bright, of Camp Davis, North Carolina.

The boys chorus, of W. T. High, under the direction of Miss Ada V. Clark, rendered a musical program following the luncheon. Numbers rendered included some old time music, and old and new patriotic numbers.

Methodist Church Observes Easter

Next Sunday is Easter. Let's all be in our places at church and commemorate this glorious event by worshipping God.

Church School begins at 9:45.

The morning worship service begins at 10:40, at which time Infant Baptism will be administered to those children whose parents present them at the altar for that purpose. Appropriate Easter music will be given by the choir. The morning sermon subject will be: "Where Is Christ To-day?"

Youth Fellowship at 7:00 p. m.

At 8:00 p. m. the combined choirs will render the Easter cantata, "Life Eternal," by Norwood Dale.

The public has a cordial invitation to all these services.

As far as we can recollect, Little Boy Blue is the only person who ever had to be called to blow his horn.

The chipanzee is rated as the most intelligent of animals.
